Dear Parent or Guardian,

Trick-or-Treat for UNICEF is a Halloween tradition that has helped provide lifesaving aid to children around the globe. You may have participated in Trick-or-Treat for UNICEF when you were a child. For many American children, it is their first introduction to the harsh realities faced by countless girls and boys worldwide, who struggle just to survive. Equally as important, the program continues to affirm the spirit of personal service in an engaging way.

The annual tradition of Kids Helping Kids has raised more than \$170 million since 1950. Hundreds of millions of American kids helped make this possible by toting their orange Trick-or-Treat for UNICEF boxes door-to-door and spreading the word of UNICEF's mission. Last year, Cesar Chavez Elementary students collected \$2449.06! Every penny counts as it all adds up. Thank you to all of you who had a part in that.

We couldn't do it without committed parents and guardians like you.

We hope we can count on you to champion Trick-or-Treat for UNICEF in your household this year. Not only will you be aiding children need, you'll also be helping to educate our children about the importance of volunteerism&hellipand that is priceless!

To find out more about Trick-or-Treat for UNICEF go to <http://www.unicefusa.org/mission/usa/trick-or-treat> and/or contact Alison Bardsley at [abbardsley@gmail.com](mailto:abbardsley@gmail.com) or Kristen Weeks-Norton at [kwn@sbcglobal.net](mailto:kwn@sbcglobal.net).

"Trick-or-Treat for UNICEF" equals Kids Helping Kids.

Kids can go trick-or-treating and save lives at the same time! Caesar Chavez students are again invited to participate in the United Nations Children's Fund (UNICEF) annual fundraising event during the Halloween season. UNICEF works in more than 160 countries and territories to provide children with lifesaving medicine, nutrition, clean water, sanitation, education and emergency relief. An estimated 7 million children are saved each year by the efforts of UNICEF and its partners.

The spare change, bills and checks collected by children really makes a difference in the world. Last year, Caesar Chavez Elementary children raised \$2449.06. All that little change really adds up! All donations combined in Davis last year (that included collections at every elementary school) raised over \$12,000 last year and was met with a grant that tripled that amount to over \$36,000!

Trick-or-Treat for UNICEF Boxes be given to students the week of Monday, October 27. Participation is entirely voluntary. If you have any questions, please contact Alison Bardsley at [abbardsley@gmail.com](mailto:abbardsley@gmail.com) or Kristen Weeks-Norton at [kwn@sbcglobal.net](mailto:kwn@sbcglobal.net)

The first CCE Move-a-Thon was a huge success!! Thank you to all the friends and families that sponsored our awesome students. We had great participation and a TON

of fun! Look for our story featured in the Enterprise and on the District website in the days ahead.

We surpassed our fundraising goals for this event by A LOT too... so please let all your sponsors know how much we appreciate their support.

The classes that won the Rocknasium fieldtrips are Sra. Ramos and Sra. Echiburu! The howling wolf went to Sra. Echiburu's class too! Congrats and thanks to Carter and Alexandra Herrera and Jordan Wagner who brought in the most sponsorships.

Hats will continue to be for sale in the coming weeks. If you would like a hat please put a \$20 check in the envelope in the office (in the memo line note if you want a child or adult size, and also the name of your student and their classroom). We will deliver the hats to your child in his/her classroom.

A big thank you to our Move-a-Thon Committee Members: Raychel Kubby Adler and Jen Brackney (Co-Chairs), Jenna Makus, Melody Ewey, Hilary Henricson, Christy Freese, Debbie Beauchamp, and Caroleen Becker.

Thanks also to Ann Haines, Leanne Villa, Erin Schlemmer and Jen Bercutt for their help and of course to all the great volunteers who showed up on Friday!

Dear Chavez Families,

We are participating in Trick-or-Treat for UNICEF again this year. Last year, we are proud that Chavez students raised \$2449.06!

We are keeping the process totally simple. We will distribute one box to every student the week before Halloween, and we will collect boxes in the front office over the week

after Halloween. If your family does not want to participate, that is perfectly fine, please send the box back to be recycled.

We see Trick-or-Treat for UNICEF as a nice compliment to the international education our children receive at Chavez. It promotes international awareness and action. In the spirit of Cesar Chavez who said "The end of all education should surely be service to others."

Impact

- Just \$1 gives a child 40 days of clean, safe water
- Just \$5, feeds a malnourished child for 5 days
- Just \$10, vaccinates 280 children
- \$30 vaccinates 100 kids from measles
- \$100, protects 100 kids from malaria
- \$500, Installs a water pump to serve a whole village

We recommend that you read about UNICEF's history with your child <http://www.trickortreatforunicef.org/about/history>.

If you have any questions please do not hesitate to let us know. We will have a table set up in the week before Halloween to talk it up and answer any questions.

Thanks,

Did you participate in the Innisbrook fundraiser?

**We are concerned that Innisbrook may not be properly crediting our school for all sales made in our recent fundraiser.** Please help us cross-check our estimated sales with their records by completing this short survey ASAP. Hello CCE Families,

We are currently planning and organizing our teams of volunteers for the **GIVE for KIDS auction** that will be held March 7, 2015.

Thank you to everyone who has already signed up to volunteer! You time and talents are what make the event successful.

**We still need a few volunteers to help with the following important roles:**

**- Solicitations Chair -**

- Coordinate solicitations process and team

- Plan timeline and deadlines
- Assign responsibilities

**- Solicitations Team-**

- Procure items from donors for use in silent, live, or online auctions.
- Work with solicitations chair to coordinate availability and assignments
- May be online or e-mail procurement or may be in person contact with local vendors

Both of these important jobs are completed November - January. All of your volunteer work is done before the auction so you can kick back and enjoy yourself during the event.

Last year we raised \$35,000 for SIPAT sponsored CCE programs. Let's all come together to meet or beat that figure this year!

Please call me with any questions. Thanks so much for your help.

Auction Co-Chair
