Calling all UNICEF boxes! Please bring your orange trick or treat boxes to the school office and place them in the large UNICEF Box just inside. We will take them to First Northern Bank and let you know how much Chavez students collected for our kids helping kids project! We are very excited because we know small change adds up to big change. Thank you so much for participating in the Trick or Treat for UNICEF program that really can help save lives by providing medicine, clean water and nutritious food for kids.

A number of kids take their boxes out with them Trick or Treating and then when they come home they even add in a little more of their own change. I heard this time and time again as I was collecting boxes the last two mornings. I am so impressed that our students would add in some of their own money to make their contribution a little larger. Well done and a big thank you!
